

Excruciating Vol III

Muscle & more muscle makes this video a best seller among our hardest-core features. Michael Allen is in peak shape and his screams of pain are bone chilling. He is tied down on his hands and knees; his nuts are stretched out behind him in wooden bondage stocks. He is gagged with a horse bridal bit in his mouth while Roger mounts him. Michael bucks & rears frantically as Roger takes him for an intensely violent nut-bashing ride. Suspension bondage, dick, testicle and nipple torture, bashing, kicking, electro-the works. Five scenes, seven men, multiple loads, severe pain. #39

Excruciating Vol. IV

Nine muscular men, nine pain-driven loads, and the kind of no-exit, no mercy torture that defines the Excruciating Series. In five brutal scenes the victims are subjected to extremes of genital slugging, ball kicking, nut piercing, groin shocking, chemical heat painting and one guy even has his pubic hair ripped out by pliers! A full one hour and 24 minutes of new victims, some new sadists, and from-the-gut yells of agony!

#46

Assaulted Nuts

Michael Allen is slowly stripped to reveal beautiful musculature and definition, and then tied securely. He is subjected to genital torture that is gradually turned up way past what a newbie should be able to take. His hard dick betrays his major-turn on, until, while his body writhes wildly, it squirts copiously, as only pain can make it do. This video goes from sensual to very intense, and ends with a powerful, wrenching load slugged out of Dave North.. Nobody can fake screams like these-real agony means real noise. No story, no frills, just bondage, balls, and torture #9

Excruciating Vol V: Stand & Stomp

Muscular studs suffer at the hands (feet and **boots**) of genuine sadists. These built studs are tied on their backs, full spread-eagle, with their legs spread wide. Several of them are even forced to cum before the stomping begins! They strain against the bondage and scream in agony as their balls are punched, kicked and clubbed. The stomping doesn't stop till every one of the sadists shoots his load all over his frantic victim. Five scenes, six men, over an hour of ball stomping and kicking.

#32

Beginner's Luck

Some of the best times we've had at the Shotgun dungeons have been with beginners! These are beautiful young men, panting, sweating and struggling to take all the pain they can stand with convulsive orgasms and shooting loads. Auditions around here are brutal but, as you will see, they uncover some astonishing new shooting stars! As a special bonus, we've included the audition footage of competitive bodybuilder Nick di Tomaso. If you like to see cocky young first time studs brought to their knees in wild ecstasies of pain, this video is for you.

#40

Torture by the Numbers

Roger and big, built Dave North play a painful "game of chance". Dave's nuts are slugged hundreds of times with Roger's fist and hit with a variety of clubs. Although Dave comes spontaneously while his nuts are attacked, the hitting continues. Dave tries to tough it out, but he's screaming full force before Roger finally gets off. For those of you who can never seem to find a real bodybuilder in serious pain, stop complaining, this is it!

#2

Roger tortures both men's nuts with a combination of crushing, hitting, and a full 38 lbs of weights! Both men are tied to beams in the ceiling as chains are hung on their aching balls. Andrew was able to shoot off, but the torture continued with Roger going for his own load. In the next scene, Michael is punished solo, cuming past even more intense genital torture.

#15

In this video about total bondage, Michael Allen is strapped to a custom bondage platform and worked over by Nick Sloan. Jake Hunter, and Dave North. Then Jeff Hilo and Rob Louis join them for a field trip featuring a combined splash off! Consenting Adults

Tall, masculine bodybuilder Jim Roberts has an amazing pain tolerance! He and three other brave, built men give us some of the heaviest and hottest testicle torture scenes ever recorded! Jim is tied spread-eagle, face down and his nuts are brutally whacked 'till Roger shoots spontaneously past the screams. The next victim endures 56 lbs(!!!) on his nuts and still shoots. These and other scenes are the hardest core CBT. Eleven violent orgasms are reprised in a painful finale.

#23

Ruptured

Tri-athlete Jeff Hilo (what great abs!) surrenders a big electrified load in a hard and fast torture session to start the video, and holds on while the pain is maintained till Roger shoots his own load. Then, bodybuilder Dave North endures an incredible 8-hour torture session, in which several loads are beaten, squeezed, shocked and punched out of his profoundly tender testicles. Of course, we chose only the hottest scenes from those 8 hours, rough, relentless, and hot!

#10

High Pain Tolerance

The tall muscular stud grunts, flexes, then says, "Harder! Faster!" In the first scene his legs tied wide apart, and his he holds his balls out with his hands to be pounded by a rubber mallet. The huge load that is smashed out of him squirts clear past his head! There are 5 intense scenes in this video, with 5 muscular men who are proud of their toughness. Bondage, (including a suspended bondage board) blindfolds and diabolical tortures-the cameras catch it all. Muscles, weights, clubs, fists, plus a hot slave fucking in this video will leave your remote sticky.

#29

Shock Therapy

Dave North and Pete Magnan are repeatedly shocked and slugged hard to the balls, to racking orgasms over a four day period.

"All action, non-stop, relentlessly applied pain, moving rapidly from one arousal and orgasm to another...The bottoms provide big loads and Roger spurts in response to the pleasure he's getting from applying pain to his victims."

-Ball Club Quarterly

#7

High Voltage

Lots of muscles, bondage, electricity, and raw courage make for 7 hot scenes. These include several astonishing encounters of the genitals with the infamous cattleprod, and a pain contest between a huge bodybuilder and Roger. You'll have to watch this video to see who shoots first! The men on this are considerably more muscular and in shape than you usually see in any bondage video, and the S&M is entirely real. If you like big built men, heavily bound, gagged and worked over till they shoot monster loads, then this video is for you!

#31

Spurtfest

One of our wettest, cum-drenched features! This video was made for guys who like to see a lot of different muscular guys get their rocks off while getting their rocks racked. Weights, the testicle vice, and fists are used to get some violent orgasms shooting some big loads. This feature also has a "spurtfest"-an ejaculation montage of a variety of men cuming through sensual genital torture.

#16

It Only Hurts When I Laugh

Tickle torture fans, we got some live ones - two good looking ticklish bondage bottoms. This is sadistic, relentless, evil, tickle torture! Most tickling films don't go far enough, but you know how Shotgun does it! We securely tied down these two handsome, built, incredibly ticklish men, and gave them more "ribbing" than they bargained for. No mercy! If the genital torture of other Shotgun tapes is too much for you, and you want some intense tickle action, this is it.

#18

102 Gun Salute

This video has over one hundred loads. Stud after stud is already stroked up and on the verge of a monster load at the beginning of each clip. These men are tied for torment, already in torture, just starting to shoot a huge load of cum! Fast-paced, creative bondage positions, and several of the 'no hands' loads Shotgun is famous for..like a visit to a S&M "Old Faithful" but with a ramped up agenda!

A custom bondage board and a bucket and weigh arrangement pull Buck's nipples high up off his muscular chest as he arches his back in pain.

#34

103 Gun Salute

A veritable feast of hot muscular men tied upright, tied down spread-eagle, sometimes mummified, gagged and even hooded. This bondage is intense! The victims' muscles are straining, their pecs are pulled, squeezed and clamped and their tender nuts are whacked, zapped and crushed. Load after tortured load, over 100 dicks shoot white geysers across the screen! These scenes are powerful, sexual S&M, and more intense than the first two tapes in this series.

#36

Lighting Rod

Hang on men, this one's gonna electrify you! Built, handsome, masculine Steve Parker makes his Shotgun debut. A metal sound about the size of a railroad spike is inserted in his urethra as deep as it will go. Amazingly, when the sound is electrified, Steve's dick gets even harder! Most mortals can only fantasize about this kind of turbocharged S&M. It's another Shotgun first in intense muscle erotica. This one man sperm factory actually shoots the electrified sound out of his dick in a blast of cum that flies all over the dungeon! Real S&M!

#42

Pleasure Torture 1

Roger uses candles, intensely secure bondage, and a vice, a club, and electro-torture to make Keith Reed sweat, groan, moan, yell, and finally "...shoots the most impressive and expressive load this side of Zak Spears...Hey this ain't no art film...But it certainly is genius."
-Adam Gay Video Guide

Although this is intense electricity from custom Shotgun machines, Eric shot load after load with electrodes deep down his dick, up his butt, against his prostate, around both balls, and even on his beefy pecs. This is documentary of real S&M, and not a mild training video.
